State-College

Dear XYZ,

Congratulations on your impressive high school achievements. The next most important step is to identify the right college. Using the power of AI we are providing you the most suitable list of colleges for your consideration. To assist you in your decision-making process, we have compiled a recommended list of colleges.

These recommendations are:

- Powered by our advanced AI-driven matching algorithm.
- Based on the profile details you provided,
- Please note that the below percentages is a reflection of the profile data you provided against the colleges' criteria. Also the percentages are calculated for 80% maximum value.

The list includes:

- All the relevant details are for you to be able to finalize the colleges.

If you need more help with the college list, please register for our "College List Review" service.

YOUR CHANCE 1	UNI RANK 2	PREFERRED IN STATE SCHOOL	CHANCES%	WE CAN HELP YOU
